Scoring: The point system used for this series is based on the number of boats racing. For example, say 10 boats are racing. The first place finisher receives 10 points, second place 9 points, third place 8 points, and so on. If you start the race and don't finish, you will receive one point. If there are 4 boats racing, 1st place receives 4 points, 2nd place receives 3 points, etc. Basically, you are rewarded more for beating 9 boats as opposed to beating 3 boats. If you are the only boat to complete the race out of 10 boats, you still get 10 points while everyone else gets one point.
